

Inclusion and Diversity Policy (includes equal opportunity and sexual harassment)

Purpose

The purpose of this policy is to explain Pakenham Primary School's commitment to making sure every member of our school community, regardless of their background or personal attributes, is treated with respect and dignity. Pakenham Primary School strives to provide a safe, inclusive and supportive school environment which values the human rights of all students and staff. For staff, this policy should be read alongside the Department of Education and Training's [Respectful Workplaces](#) policies (including [Equal Opportunity and Anti-Discrimination](#), [Sexual Harassment](#) and [Workplace Bullying](#)) as these whole of Department policies apply to all staff at Pakenham Primary School.

Disability harassment: humiliating comments or actions about a person's disability.

Vilification: conduct that incites hatred towards or revulsion or severe ridicule of a person or group of people on the basis of their race or religion.

Victimisation: subjecting a person or threatening to subject them to detrimental treatment because they (or their associate) has made an allegation of discrimination or harassment on the basis of a protected attribute (or asserted their rights under relevant policies or law).

Inclusion and diversity

Pakenham Primary School is committed to creating a school community where all members of our school community are welcomed, accepted and treated equitably and with respect regardless of their backgrounds or personal attributes such as race, language, religious beliefs, gender identity, disability or sexual orientation so that they can participate, achieve and thrive at school.

Pakenham Primary School acknowledges and celebrates the diversity of backgrounds and experiences in our school community and we will not tolerate behaviours, language or practices that label, stereotype or demean others. At Pakenham Primary School we value the human rights of every student and we take our obligations under anti-discrimination laws and the Charter of Human Rights and Responsibilities seriously.

Pakenham Primary School will:

- Actively nurture and promote a culture where everyone is treated with respect and dignity
- ensure that students are not discriminated against (directly or indirectly) and where necessary, are reasonably accommodated to participate in their education and school activities (eg schools sports, concerts etc.) on the same basis as their peers
- acknowledge and respond to the diverse needs, identities and strengths of all students
- encourage empathy and fairness towards others
- challenge stereotypes that promote prejudicial and biased behaviours and practices
- contribute to positive learning, engagement and wellbeing outcomes for students
- respond to complaints and allegations appropriately and ensure that students are not victimised.

Bullying, unlawful discrimination, harassment, vilification and other forms of inappropriate behaviour targeting individuals or groups because of their personal attributes will not be tolerated at Pakenham Primary School. We will take appropriate measures, consistent with our *Student Wellbeing and Engagement* and *Bullying* policies to respond to students who demonstrate these behaviours at our school.

Students who may have experienced or witnessed this type of behaviour are encouraged to speak up and to let their teachers, parents or carers know about those behaviours to ensure that inappropriate behaviour can be addressed.

Reasonable adjustments for students with disabilities

Pakenham Primary School also understands that it has a legal obligation to make reasonable adjustments to accommodate students with disabilities. A reasonable adjustment is a measure or action taken to assist students with disabilities to participate in their education on the same basis as their peers. Reasonable adjustments will be made for students with disabilities in consultation with the student, their parents or carers, their teachers and if appropriate, their treating practitioners. Our school may consult through Student Support Group processes and in other less formal ways.

A student support group gives parents and carers the opportunity to work with the school to make decisions about education and check on progress.

The group includes:

- Each child's parent or carer
- the teacher or teachers who have responsibility for your child
- the school principal or a nominee – for example, the assistant principal.

It can also include:

- any other people who work with your child, as agreed by the group – for example a social worker or medical professional
- your support person or advocate – if you choose to use one
- your child – if appropriate.

For more information about support available for students with disabilities, and communicating with us in relation to a student's disability, please contact Pakenham Primary School for further information.
